Contemporary Photo Scavenger Hunt

Follow the clues to find 10 different spots around the Main Tower at the Contemporary Resort. Once you find the spot, take a selfie at that location.

1. First up, lets try and find the one that started it all, Mickey Mouse! Take a photo in front of where you can eat with Mickey Mouse!
2. Not too far away is a VERY large mural inspired by the Grand Canyon. Can you spot it?
3. The mural in clue 2 was designed by Mary Blair. Can you find the legendary Imagineers photo on the first floor?
4. The Contemporary has many lounges to relax in. Can you take a photo out front of the only one inside that overlooks the Contemporary Feature Pool?
5. There are a couple pictures of Walt Disney around the Contemporary Resort. Can you take a picture of just one of them?
6. Can you take a picture in front of the check in podium for this restaurant that is one of the few places on property where you can see all four theme parks from it?
7. While this isn't the biggest "hidden Mickey" at Disney World, it is pretty tall. Can you take a picture with this Mickey that makes up the entrances to one of our Gift Shops?
8. Down in the lobby find the circular mural near the check in desk. On it you will find lots of different animals, including a bear. Find the bear in the mural and take a picture with it.
9. Our "Highway in the Sky" travels right through the center of the Resort as it transports Guests around Walt Disney World. Can you manage to snap a picture with it as it's traveling through the resort?
10. There are lots of pictures of Mickey around the Contemporary, but can you find the one with four mickey's in it that lights up?
